October 16, 2020

Dear Friends,

The Salvation Army has served the Red Deer community for over 107 years. Because of donors and sponsors like you, we have been able to help countless families and individuals meet their most basic needs by providing them with food, clothing, beds, and more. With the added challenges of the pandemic, many have suffered job loss or are struggling to meet their family's needs. This year especially, many Red Deer citizens are facing economic uncertainty and the requests we receive for assistance are increasing daily.

Christmas for those who are struggling poses even more of a challenge and worry. By providing the Adopt-a-Family/Senior program, we aim to alleviate some of those added stressors. Like our other services, the Adopt-a-Family program would not reach the most vulnerable without the benevolent hearts of our donors. In anticipation of high demand, we are once again looking for sponsors to assist families and seniors this Christmas season.

If you are interested in adopting a family or senior, we invite you to review the sponsor package. The package provides detailed information and the requirements for participating in the Adopt-a-Family/Senior program. If you choose to participate, simply complete the commitment form and return it to us via: email, mail, fax, or in person.

Thank you for giving consideration to the 2020 Adopt-a-Family/Senior program. Please feel free to contact the office if you would like to further discuss the program. I can be reached at 403-346-2251 or by emailing taylor.poor@salvationarmy.ca.

Sincerely,

Taylor Poor

Community Ministries Coordinator
