Giving Hope Today

October 24, 2022

Dear Sponsors,

As winter approaches, it serves as a reminder that the Christmas season will soon be upon us. The last several years have brought many challenges, and for some the impact has left families, seniors, and fellow community members unable to financially recover. As inflation rises the impact is adding even more strain to the daily cost of living. Due to this continuous rise in cost, many families and seniors will be unable to afford the expenses that Christmas will bring. With your sponsorship, families and seniors will be given the peace of mind to enjoy and partake in the celebration of Christmas.

Last year through the amazing support of our sponsors and donors 652 individuals were richly blessed with a Christmas to remember. For many recipients, the kindness of their anonymous sponsors has left a lifelong impression on them. The gift of cherished Christmas memories will stay with families and seniors for a lifetime. Your commitment to sponsoring ensures that there will be gifts under the tree and food on the table for the most vulnerable people in our community.

If you are interested in adopting a family or senior this upcoming Christmas, we invite you to review the sponsor package. The package provides all of the sponsor information and requirements when participating with the Adopt-A-Family/Senior program. If you determine you would like to sponsor, please complete the attached commitment form and return to the office via email, fax or in person.

Thank you for giving consideration to our 2022 Adopt-A-Family/Senior program. Please feel free to contact us with any questions or to further discuss any aspect of the program. We can be reached at 403-346-2251 or by emailing adoptfamily.reddeer@salvationarmy.ca.

Warm Regards,

The Salvation Army Red Deer Team
(Taylor Poor)
